### HEALTH MINISTRIES CORNER

#### EXERCISE

The human body may be compared to nicely adjusted machinery, which needs care to keep it in running order. One part should not be subjected to constant wear and pressure, while another part is rusting from inaction. While the mind is taxed, the muscles also should have their proportion of exercise.

### TODAY'S SPIRIT OF PROPHECY THOUGHT

The Bible does not teach that the sinner must repent before he can heed the invitation of Christ, "Come unto me, all ye that labor and are heavy laden, and I will give you rest." It is the virtue that goes forth from Christ, that leads to genuine repentance. Peter made the matter clear in his statement to the Israelites when he said, "Him that God exalted in his right hand to be a Prince and a Savior, for to give repentance to Israel, and forgiveness of sins." Acts 5:31. We can no more repent without the Spirit of Christ to awaken the conscience than we can be pardoned without Christ. SC 26.2
