## HEALTH MINISTRIES CORNER

We are already suffering because of the wrong habits of our fathers, and yet how many take a course in every way worse than theirs! Opium, tea, coffee, tobacco, and liquor are rapidly extinguishing the spark of vitality still left in the race. Every year millions of gallons of intoxicating liquors are drunk, and millions of dollars are spent for tobacco. And the slaves of appetite, while constantly spending their earnings in sensual indulgence, rob their children of food and clothing and the advantages of education. There can never be a right state of society while these evils exist.

## TODAY'S SPIRIT OF PROPHECY THOUGHT

Every true disciple is born into the kingdom of God as a missionary. He who drinks of the living water becomes a fountain of life. The receiver becomes a giver. The grace of Christ in the soul is like a spring in the desert, welling up to refresh all, and making those who are ready to perish eager to drink of the water of life.—The Desire of Ages, 195.

God expects personal service from everyone to whom He has entrusted a knowledge of the truth for this time. Not all can go as missionaries to foreign lands, but all can be home missionaries in their families and neighborhoods.—Testimonies for the Church 9:30.
