TODAY'S SPIRIT OF PROPHECY THOUGHT

Christ placed such a high estimate upon your children that He gave His life for them. Treat them as the purchase of His blood. Patiently and firmly train them for Him. Discipline with love and forbearance. As you do this, they will become a crown of rejoicing to you and will shine as lights in the world.

The soul of the little child that believes in Christ is as precious in His sight as are the angels about His throne. They are to be brought to Christ and trained for Christ. They are to be guided in the path of obedience, not indulged in appetite or vanity.

Children derive life and being from their parents, and yet it is through the creative power of God that your children have life, for God is the Life-giver. Let it be remembered that children are not to be treated as though they were our own personal property. Children are the heritage of the Lord, and the plan of redemption includes their salvation as well as ours. They have been entrusted to parents in order that they might be brought up in the nurture and admonition of the Lord, that they might be qualified to do their work in time and eternity
